Advanced hemophilia course on inhibitor development and management

Preliminary program

18 October

12.00-13.00  Lunch and registration
13.00-13.30  Welcome and introduction
13.30-14.15  Lecture: Immunology (SL)
14.15-15.00  Lecture: Risk factors for inhibitor formation part 1 (JA/RL)
15.00-15.30  Break
15.30-16.15  Lecture: Risk factors for inhibitor formation part 2 (JA/RL)
16.15-18.00  Interactive case discussion (Faculty)
19.00 -  Dinner

19 October

08.30-09.00  Lecture - Conventional treatment of bleeds and prophylaxis for patients with inhibitors (JA)
09.00-09.30  Lecture - Emerging treatment of bleeds and prophylaxis for patients with inhibitors (RL)
09.30-10.00  Break
10.00-10.30  Lecture: Surgery in inhibitor patients (PAH)
10.30-11.00  Lecture: Monitoring (PAH)
11.00-12.00  Interactive case discussion (Faculty)
12.00-13.00  Lunch
13.00-13.30  Lecture: Pediatric issues in inhibitor management (RL)
13.30-14.30  Lecture: Immune tolerant induction (RL or JA)
14.30-15.00  Break
15.00-15.30  How to treat failures of ‘conventional ITI’? (RL/JA)
15.30-16.15  Lecture: Inhibitors in Hemophilia B (JA)
16.15-17.30  Interactive case discussion (Faculty)
19.00 -  Dinner

20 October

08.30-09.15  Inhibitors in non-severe hemophilia (EB)
09.15-10.00  Interactive case discussion – Participants’ cases
10.00-10.20  Break
10.20-11.00  Lecture: Health-economic aspects on inhibitor management (KSC)
11.00-11.45  Interactive case discussion – Participants’ cases
11.45-12.15  Interactive examination
12.15-12.30  Concluding remarks
12.30-  LUNCH and departures

Faculty:
Assoc. Prof. Jan Astemark, Malmö (JA)
Prof Rolf Ljung, Malmö (RL)
Prof. Erik Berntorp, Malmö (EB)
Prof Pål Andre Holme, Oslo (PAH)
Prof Sebastien Lacroix-Desmazes, Paris (SL)
M.D. Karin Strandberg, Malmö (KS)
Ph.D. Katarina Steen Carlsson, Lund (KSC)
M.D. Nadine Gretenkort Andersson, Malmö (Faculty)
M.D. Eva Zetterberg, Malmö (Faculty)
