

Publications related to the Organic Brain Syndrome (OBS) scale

1. Andersson EM, Gustafson L, Hallberg IR. Acute confusional state in elderly orthopaedic patients: factors of importance for detection in nursing care. *International Journal of Geriatric Psychiatry* 2001; 16: 7-17.
2. Andersson EM, Hallberg IR, Norberg A, Edberg A-K. The meaning of acute confusional state from the perspective of elderly patients. Manus.
3. Andersson EM, Knutsson IK, Hallberg IR, Norberg A. The experience of being confused: A case study. *Geriatric Nursing* 1993; 242-247.
4. Andersson EM, Norberg A, Hallberg IR. Acute confusional episodes in elderly orthopaedic patients: the patients' actions and speech. *International Journal of Nursing Studies* 2002; 39: 303-317.
5. Andersson EM. Acute confusional state in orthopaedic care. Thesis, Lund University, 2002.
6. Annerstedt L, Emståhl S, Ingvad B, Samuelsson S-M. Family caregiving in dementia – An analysis of the caregiver's burden and the "breaking-point" when home care becomes inadequate. *Scand J Public Health* 2000; 28: 23-31.
7. Annerstedt L, Gustafson L, Nilsson K. Medical outcome of psychosocial intervention in demented patients: one-year clinical follow-up after relocation into group living units. *International Journal of Geriatric Psychiatry* 1993; 8: 833-841.
8. Berggren D, Gustafson Y, Eriksson B, Bucht G, Hansson L-I, Reiz, S, Winblad B. Postoperative confusion after anesthesia in elderly patients with femoral neck fractures. *Anesth Analg* 1987; 66: 497-504.
9. Biffoli F, Piacentino V, Meconcelli G, Guidi G, Dal Poggetto L, Bacci I, Peruzzi E. Influenza della condotta anestesilogica sullo stato mentale di soggetti anziani sottoposti a chirurgia ortopedica dell'arto inferiore. *Minerva Anestesiologica* 1998; 64: 13-19.
10. Bitsch MS, Foss NB, Kristensen BB, Kehlet H. Pathogenesis of and management strategies for postoperative delirium after hip fracture. A review. *Acta Orthop Scand* 2004; 75: 378-389.
11. Björkman Björkelund K. Organic Brain Syndrome Scale – OBS skalan. Ek kritisk granskning. Mät och testteori. Utveckling och utvärdering av instrument inom klinisk forskning och vårdvetenskap, 5 poäng. Karlstads Universitet.
12. Brännström B, Gustafson Y, Norberg A, Winblad B. Problems of basic nursing care in acutely confused and non-confused hip-fracture patients. *Scandinavian Journal of Caring Sciences* 1989; 3(1): 27-34.
13. Bucht G, Gustafson Y, Sanberg O, Brännström B. Clinical profile of delirium in elderly patients. Poster 17, 5th Congress of Nordic Society for Research in Brain Ageing, 1999.
14. Edberg AK, Norberg A, Hallberg IR. Mood and general behavior of patients with severe dementia during one year of supervised, individualized planned care and systematic clinical supervision. Comparison with a similar control group. *Aging* 1999; 11(6): 395-403.
15. Edlund A, Lundström M, Brännström B, Bucht G, Gustafson Y. Delirium before and after operation for femoral neck fracture. *Journal of the American Geriatrics Society* 2001; 49: 1335-1340.

16. Edlund A, Lundström M, Lundström G, Gustafson Y. Clinical profile of delirium in patients treated for femoral neck fractures. Poster 19, 5th Congress of Nordic Society for Research in Brain Ageing, 1999.
17. Edlund A, Lundström M, Lundström G, Hedqvist B, Gustafson Y. Clinical profile of delirium in patients treated for femoral neck fractures. *Dementia and Geriatric Cognitive Disorders* 1999; 10: 325-329.
18. Elmståhl S, Ingvad B, Annerstedt L. Family caregiving in dementia: prediction of caregiver burden 12 months after relocation to group-living care. *International Psychogeriatrics* 1998; 10(2): 127-146.
19. Elmståhl S, Stenberg I, Annerstedt L, Ingvad B. Behavioral disturbances and pharmacological treatment of patient with dementia in family care giving: A 2-year follow-up. *International Psychogeriatrics* 1999; 10(3): 239-252.
20. Eriksson M, Samulesson E, Gustafson Y, Åberg T, Engström KG. Delirium after coronary bypass surgery evaluated by the organic brain syndrome protocol. *Scan Cardiovasc J* 2002; 36: 250-255.
21. Granberg Axèll A, Bergbom I, Lundberg D. Clinical signs of ICU syndrome/delirium – an observational study. *Intensive and Critical Care Nursing* 2001;17(2):72-93.
22. Granberg Axèll A. The intensive care unit syndrome/delirium, patients' perspective and clinical signs. Thesis, Lund University 2001.
23. Granberg Axèll AIR, Malmros CW, Bergbom IL, Lundberg DBA. The association of blood metabolic factors and drug therapy with the development of the ICU syndrome/delirium – observations and interviews. Submitted.
24. Gustafson L, Lindgren M, Westling B. The OBS scale. A new rating scale for evaluation of confusional states and other organic brain syndromes. II International Congress on Psychogeriatric Medicine in Umeå, Sweden, August 28-31, 1985.
25. Gustafson L, Lindgren M, Westling B. A rating scale for evaluation of confusional states and other organic brain syndromes – the OBS scale. Manus.
26. Gustafson L, Lindgren M, Westling B. The OBS scale. A factor analytic approach to evaluation of confusional states and other Organic Brain Syndromes. Manus.
27. Gustafson Y. Postoperative delirium – a challenge for the orthopedic team. *Acta Orthop Scand* 2004; 75, 375-377.
28. Gustafson Y, Berggren D, Brännström B, Bucht G, Norberg A, Hansson L-I, Winblad B. Acute confusional states in elderly patients treated for femoral neck fracture. *JAGS* 1988; 36: 525-530.
29. Gustafson Y, Berggren D, Brännström B, Bucht G, Norberg A, Winblad B. Confusion (delirium) in elderly patients treated for femoral neck fracture. A prospective study. Manus.
30. Gustafson Y, Brännström B, Berggren D, Ragnarsson I, Sigaard J, Bucht G, Reiz S, Norberg A, Winblad B. A geriatric-anesthesiologic program to reduce acute confusional states in the elderly patients treated for femoral neck fractures. *Journal of the American Geriatrics Society* 1991; 39: 655-662.
31. Gustafson Y, Brännström B, Norberg A, Bucht G, Winblad B. Underdiagnosis and poor documentation of acute confusional states in elderly hip fracture patients. *Journal of the American Geriatrics Society* 1991; 39: 760-765.

32. Gustafson Y, Olsson T, Eriksson S, Asplund K, Bucht G. Acute confusional states (delirium) in stroke patients. *Cerebrovascular diseases* 1991; 1: 257-265.
33. Gustafson Y, Sandberg O, Bucht G. Clinical profile of delirium in elderly patients with dementia. Poster 18, 5th Congress of Nordic Society for Research in Brain Ageing, 1999.
34. Hallberg IR. Vocally disruptive behaviour in severely demented patients in relation to institutional care provided. Thesis, University of Umeå, 1990.
35. Hallberg IR, Norberg A, Erikson S. Functional impairment and behavioural disturbances in vocally disruptive patients in psychogeriatric wards compared with controls. *International Journal of Geriatric Psychiatry* 1990; 5: 53-61.
36. Holmquist IB, Svensson B, Höglund P. Psychotropic drugs in nursing- and old-age homes: relationships between needs of care and mental health status. *Eur J Clin Pharmacol* 2003; 59: 669-676.
