Funded by the Swedish Council for Working Life and Social Research, the Centre of Aging and Supportive Environments (CASE) will be established at Lund University, engaging researchers at the Faculties of Medicine, Engineering and Social Sciences (see www.CASE.arb.lu.se).

Welcome to the first open CASE seminar:

”The Psychology of Housing in Later Life”

by
Dr. Frank Oswald,
University of Heidelberg, Germany

Hörsal 3, Vårdvetenskapens Hus, Lund

Welcome to an inspiring seminar given by one of the most acknowledged European scholars in environmental gerontology!

Professor Susanne Iwarsson, co-ordinator of CASE
Department of Health Sciences, Faculty of Medicine
