Advanced Hemophilia Course on Inhibitors
October 9-11, 2018
Prefinal program

**Tuesday, October 9**

09.30-10.00  Registration
10.00-10.30  Welcome and introduction
10.30-11.00  Hemophilia management of today and tomorrow with a focus on inhibitor development (JA)
11.15-12.00  Laboratory aspects on inhibitor diagnosis and management (KS)
12.00-13.00  Lunch
13.00-14.00  Immunology (SLD)
14.15-15.00  Interactive case discussion (JA)
15.00-15.30  Break
15.30-16.15  Risk factors for inhibitor formation – Genetic aspects (JA)
16.15-17.30  Introduction to and preparation of session on evidence-based medicine (EBM)

**Wednesday, October 10**

08.30-09.15  Risk factors for inhibitor formation - Non-genetic aspects (RL)
09.30-10.15  Immune tolerance induction therapy (RL/JA)
10.15-10.45  Break
10.45-11.15  Inhibitors in non-severe hemophilia (EB)
11.30-12.15  Interactive case discussion (RL/JA)
12.15-13.00  Lunch
13.00-13.45  Conventional and emerging treatment of bleeds and prophylaxis (JA/NGA)
14.00-14.45  Surgery in inhibitor patients – management and monitoring (PAH)
14.45-15.15  Interactive case discussion – surgery (PAH)
15.15-15.45  Break
15.45-16.15  Acquired hemophilia (EZ)
16.30-17.15  Interactive case discussion – Participants cases (Faculty)
19.00-     Dinner

**Thursday, October 11**

08.30-10.00  How to treat failures of ‘conventional ITI’? (RL/JA)
10.00-10.30  Break
10.30-11.15  Inhibitors in hemophilia B (JA)
11.15-12.00  Interactive case discussion – Participants cases (Faculty)
12.00-13.00  Lunch
13.00-15.00  EBM session including break (Faculty)
15.00-15.30  Evaluation and Concluding remarks

**Faculty**

Prof Jan Astermark, Malmö (JA)
Prof Rolf Ljung, Malmö (RL)
Prof Erik Berntorp, Malmö (EB)
Prof Pål André Holme, Oslo (PAH)
Prof Sébastien Lacrotx-Desmazes, Paris (SLD)
MD PhD Karin Strandberg, Malmö (KS)
MD PhD Nadine Gretenkort Andersson, Malmö (NGA)
MD PhD Eva Zetterberg, Malmö (EZ)
