

Life Cycles: Human Reproduction, Growth, and Development

Time: Thursday May 9th 2019, start 10:00, end Friday May 10th 2019 at 13:00 p.m.

Place: “Jubileumsaulan” Lecture Hall, Jan Waldenströms gata 2-5, Skåne University Hospital (SUS), Malmö, Sweden

Organisers: The Strategic Research Area (SRA) Epidemiology for Health (EpiHealth) at Lund and Uppsala Universities in collaboration with ReproUnion 2.0, the Centre for Excellence in Reproduction and Perinatal Sciences (CERPS), Lund University, and “Svensk Andrologisk Förening”, SAF (Swedish Society of Andrology).

Symposium secretariat and registration: Ms. Camilla Key (+46 (0)40-33 23 01), mail: camilla.key@med.lu.se

Costs: Free registration with no fee. Travel and accommodation is covered for lecturers and chair persons, participants have to finance travel and accommodation themselves or by support from SRA EpiHealth or their universities. Registration is mandatory for the May 9th evening buffet dinner 19:00 p.m. at Malmö Rådhus! **Our host and sponsor is Malmö City.**

Transport communications: Train station “Triangeln” is close to SUS, and it connects also with trains from the Copenhagen Airport. Airport buses from Sturup outside Malmö stop at “Södervärn” bus terminal, with 10 minutes’ walk to the hospital.

Poster abstracts: Please send your abstract with deadline April 20th 2019. Poster prizes will be provided for best posters. Format of abstract: Maximum one page, use sub-headings.
