Announcement: Postdoc scholarship in Cancer Biology

Scholarship
A postdoc scholarship is available for a highly motivated candidate with a strong background in cell and molecular biology as well as cancer biology. The successful candidate will focus research efforts on elucidation of molecular mechanisms regulating the development and progression of cancer using a variety of approaches including molecular, cellular, and in vivo methods.

Qualifications required
The scholarship requires PhD degree with a background in molecular biology and mouse tumor models. Experience with subcutaneous injection of tumor cells into animals and Bioluminescence imaging is preferred. Highly motivated individuals with excellent communication skills and the ability to study effectively within a research team are encouraged to apply.

The applicant should not have been employed by Lund University within the last two years in order to be able to receive a scholarship. PhD degree should not be more than three years old at the last day of applying.

Placement: Department of Laboratory Medicine, Translational Cancer Research unit at Medicon Village, Lund, Sweden
Ref No: V2020/1294
Duration: 2 years, the scholarship is set up six months at the time
Starting time: 2020-10-01
Last day for applying: 2020-08-31
