

DECISION ON AWARD OF A SCHOLARSHIP

Reg. N.....

(The decision is taken by the Dean but can be delegated to the Head of Department)

Scholarship recipient.....Personal Identity Number

Address for payment
.....

Citizenship.....Date of PhD degree.....

Type of scholarship Educational Postdoc

The scholarship recipient has been admitted to research studies at Lund University Yes No

Study plan drawn up on (Year/Month/Day) (Attach to form)

Has the scholarship recipient previously been awarded a scholarship by Lund University?

If yes, indicate for which period

The scholarship recipient has been informed that:

- The scholarship is intended for the recipient's education/development, and does not constitute compensation for work or other consideration that has been performed or is to be performed on behalf of the university
- That the scholarship is a gift and consequently not taxed
- Scholarships established at Lund University may not extend for longer than 24 months to one and the same person
- The granted scholarship is reconsidered every six months
- The scholarship does not entitle the holder to daily allowances during travel
- The scholarship does not qualify the holder for sickness benefit, parental benefit, holiday pay or pension
- The receiving faculty/department and scholarship holder must agree in writing on the planning of the studies/development and that follow-up of the scholarship holder's development takes place continuously
- What insurance the scholarship holder is covered by and the need to review their own insurance needs
- The scholarship holder should be treated equally to students/researchers in a similar situation but with different funding and that the scholarship holder should be assured and contribute to a good working environment
- There may be a risk that the scholarship holder is taxed in his or her home country, which the scholarship holder should investigate before the scholarship period
