**ABOUT THE INTERNATIONAL
SCIENTIFIC AND PRACTICAL CONFERENCE**

"Topical issues of radiation hygiene", dedicated to the 85th anniversary of
Professor P.V.Ramzaev

Based upon the 2014 organizational action plan of the Federal Scientific Organization "Saint-Petersburg Research Institute of Radiation Hygiene after professor P.V.Ramzaev" and the order of the Rospotrebnadzor № ____ from ____, St-Petersburg Research Institute of Radiation Hygiene after Professor P.V. Ramzaev on 02-03 of October 2014 holds an international scientific and practical conference "Actual problems of radiation hygiene", dedicated to the 85th anniversary of the birth of Professor P.V.Ramzaev.

The Conference Organizing Committee invites you to participate in the conference.

Co-Chairs of the Organizing Committee: Head of the Federal Service for Supervision of Consumer Rights Protection and Human Welfare, Acting Chief Sanitary Inspector General of the Russian Federation A.Yu.Popova and Assistant to the Prime Minister of the Russian Federation G.G.Onischenko.

The conference will consider the following issues:

1. P.V.Ramzaev contribution to the development of scientific basis of radiation hygiene and practice of radiation safety of the population.
2. Key achievements and issues of radiation safety of the population regarding natural sources of ionizing radiation.
3. Topical issues of radiation safety of the population regarding man-made sources of ionizing radiation.
4. Actual issues of radiation protection of the patients and the public regarding medical exposure.

5. Radiation accidents: the generalization of experience, strategy of decisions, rehabilitation of contaminated territories.

6. Methodology for estimating radiation risk from radiation sources. Application of risk assessment methodology in the system of health monitoring.

7. Main outcomes and ways to improve the radiation-hygienic certification and system of control and account of radiation doses from public and occupational exposure.
